

LOCAL COMMUNITY POLICY

VISION

At the **MELENOS LINDOS ART BOUTIQUE HOTEL** we are committed to work with respect and harmony to the society that hosts us and operate in beneficial way for our local community.

OBJECTIVES

With accordance to our vision, we will:

- Wherever possible utilize the sources provided by our local community
- Communicate to our guests the key role that our local community plays to our beneficial and proper operation.
- Maintain a close relation with our local community and discuss all the areas of improvement of our operation towards it.

TARGETS

In order to fulfill our objectives, we will:

- Increase to a maximum the number of employees from the local community.
- Increase the percentage of products bought by local businesses and varieties.
- Utilize local customs and traditions in the hotels design and appearance
- Discuss, seek and provide possible charity options from the hotel to the local community.
- Inform our guests about the singularity and the specific assets of the community and environment that host us

All issues in relation to our local community policy are handled by owner Mr. Melenos Michalis
